

MAINE COON CAT CLUB 2011 BREEDER LIST

**TO BE INCLUDED FROM THE 1st APRIL 2011, MEMBERSHIP AND BREEDERS SUBSCRIPTIONS
MUST HAVE BEEN PAID BY THE 31st MARCH 2011**

The Breeder's List is a service provided by the Club for its breeder members.

**The cost for entry onto the Breeder's List is £20, which includes a £5 donation to the Rescue Fund
but is extra to the annual membership fee.**

The following was agreed by members at the 1997 A.G.M.:

1. The list will be completely updated on 1st April each year.
2. Fully paid-up members may apply to join the Breeders' List after membership has been held for at least **TWELVE MONTHS**. Breeder members joining after 1st April will be added to the next available list.

Telephone enquiries are dealt with mainly by the Kitten Co-ordinator and Secretary, who give out names and numbers of breeders together with any kittens that are known to be available. The club stand is taken to many shows where the breeders and kittens available lists can be picked up by the public. The Club also advertises in publications such as Cat World. This all costs money, but it is hoped that you will agree that £20 per year is much cheaper than a single advertisement in a local newspaper or national magazine. Your name and details will also appear on the club web site, in the following manner:

MAINE COON CAT CLUB 2011 BREEDER LIST APPLICATION FORM

To be included on the MCCC Breeder's List, you must agree to abide by the principles of the G.C.C.F. Code of Ethics for Breeders and Owners. Copies of this are available from the GCCF Office and on the GCCF website www.gccfcats.org. Please be aware of Clause 6 of the GCCF Code of Ethics, as this concerns breeders offering help with any future re-homing of cats of their breeding. The MCCC will contact breeders and expect them to become involved if cats of their breeding are brought to the attention of the MCCC welfare officer for re-homing.

The MCCC also make the following requirements.

- Kittens must be at least 13 weeks of age, and fully vaccinated against at least cat flu and feline enteritis (homeopathic vaccinations are not acceptable) before being taken by their new owners.
- The kitten/s should be in good general health and free from parasites.
- The breeder/s must provide pedigree and registration documentation, a diet sheet and a vaccination record when the kitten is collected.
- Although the Maine Coon Cat Club is a GCCF affiliated club, it is recognised that some members may wish to register their kittens with cat organisations other than the GCCF.

The Maine Coon Cat Club strongly recommends that all sales be accompanied by a contract giving information on the kitten and listing any restrictions if the kitten has been purchased for breeding.

The Maine Coon Cat Club expects that all sales and stud contracts are honoured by the new owners.
